Move-In Crew 2007

Move-In Crew Volunteers,

Let me first thank you for volunteering to support this year's move-in crew effort and assisting the Class of 2011 with their "big move".

As stated in the initial emails, Thursday, August 23rd is the designated move-in time for our crew. With that, here are some of the details that may help you in the process.

Check-In: **Thursday, August 23rd, 2007**
9am-3pm Jean Wool's Office // Long Hall
After 4:30pm Security // Rich Hall

After the check-in period, participating departments, divisions, and organizations have coordinated a "**Olive Garden Dinner**" for our volunteers to be held in **East Hall Coffee House at 5:00pm**.

Following our dinner, a **meeting** will begin **at 6:15pm** to cover the responsibilities of our move-in crew, logistics for the Friday AM move-in, and the required information that allows you to arrive early on campus without fees.

All of the above mentioned dinners, meetings and activities are required for the fee to be waived for your early arrival. *Failure to attend may result in a \$40 fee assessed against your student account.*

Thank You, and we look forward to working with you.
